Summary board meeting 3

On the third meeting covered a motion regarding the changes done in the regulatory documents during the last years that have not been included in the large revision of the documents. We also decided dates for the election to the representative council. The candidacy will be open until the 28th of October. In addition we ratified the internal division for the Committee of Education where responsibilities for different bodies were divided between the full-time officials in the Committee of Education.

For the union board,

KARIN DAMMER
Chairman of the board 16/17
